DESCRIPTION

A 100% organic cotton string shopping bag designed for light everyday use. This one-size tote features an expandable mesh body that can hold up to 6 kg and wide handles measuring 61 cm for hand or shoulder carry. The solid cotton top panel provides a flat area suitable for decoration. Available in several colours, for example Natural, Navy and Sage green.

The mix of a stable upper panel and a flexible mesh base means the bag adapts to its contents while keeping the handles comfortable to use. Its lightweight construction and organic cotton composition make it easy to fold and store.

This personalised shopping (totebag) can be produced from one piece using screen printing transfer, MSO transfer, DTF printing or flex. Recommended for companies, sports clubs, associations, events and private customers looking for an eco-friendly branded bag.
