DESCRIPTION

This premium cotton shopping (totebag) is unisex and one-size, designed for everyday use—shopping, carrying documents or personal items. Made from sturdy cotton, it provides a smooth printing surface for high-quality decoration. The long handles (67 cm) allow shoulder or hand carry and the flat rectangular shape makes it easy to store and pack. It is available in several colours, for example Natural, Black or Bright Royal.

The photo shows reinforced stitching where the handles meet the bag, ensuring reliable wear for regular use. The even canvas texture is well suited to screen printing for crisp logos; care is straightforward following standard cotton washing instructions.

Personalise this personalised shopping (totebag) using screen printing transfer, MSO transfer, DTF printing or flex. Suitable for companies, sports clubs, associations, events and private customers. Single-piece orders are possible and our graphic studio can vectorise or retouch your logo.
