DESCRIPTION

This personalised drawstring bag is made from 100% cotton and comes in one practical size. Its sturdy, smooth surface is designed for quality decoration and the cord closure doubles as shoulder straps for easy carrying — suitable for everyday use. For care, a cold wash is recommended to maintain the fabric's condition.

The bag features a simple, functional finish with reinforced side seams and robust cords threaded through a top channel. Its flat shape accommodates shoes, clothing or promotional items without adding bulk, and the even cotton surface provides a clean print result.

This drawstring bag can be personalised from 1 piece, making it suitable for companies, sports clubs, associations, events and private customers. Possible techniques: screen print transfer, MSO transfer, DTF printing and flex. Available in several colours, for example Natural, Black and French Navy.
