DESCRIPTION

This shopping (totebag) is made from organic cotton in a one-size fit, designed to be carried by hand or over the shoulder thanks to the long straps visible in the photo. The fabric shows a soft drape and natural texture, and an easy-to-remove label makes re-labelling straightforward. It is offered in several colourways such as Natural/Black, Natural/Caramel and Natural/Peach.

The simple rectangular shape provides generous carrying capacity without bulk, making it suitable for everyday use, events or product giveaways. The strap stitching appears reinforced for regular use and the lightweight construction keeps it practical and easy to care for.

This personalised shopping (totebag) can be customised from one piece using screen transfer, MSO transfer, DTF printing or flex (heat transfer vinyl). Recommended for companies, clubs, associations, events and private customers.
