DESCRIPTION

Medium-sized canvas pouch designed for versatile use — ideal for cosmetics, stationery or small accessories. It combines recycled cotton and polyester with GRS certification and a washed finish featuring a leopard pattern, giving a textured, durable yet flexible feel. Spot cleaning is recommended to preserve the printed finish and shape.

The pouch has a single main compartment secured by a nylon zip with a fabric pull; the slightly trapezoidal profile and reinforced seams provide good structure in daily use. A detachable label allows easy rebranding without altering the pouch itself.

Suited to companies, clubs, associations and individuals, this personalised pouch can be customised from 1 piece. Available decoration methods: screen printing transfers, MSO transfer, DTF printing, flex. Our design studio can retouch or vectorise your logo prior to marking.
