DESCRIPTION

This one-size shopping (totebag) is made from 100% recycled cotton with a washed finish and a leopard pattern: a straight cut, flat base and long handles for hand or shoulder carry. The visible fabric shows a tight weave and structured feel suited to everyday use; a detachable label allows easy rebranding. Each piece is unique due to the dyeing process, so colour variations and fading can occur over time.

The one-size format is practical for shopping, events or corporate gifting. Seams at the base and handle attachments appear reinforced to distribute weight evenly; gentle washing is recommended depending on use.

This personalised shopping (totebag) can be customised from one piece using screen printing, MSO transfer, DTF printing or flex. Recommended for companies, sports clubs, associations, events and individuals looking for a distinctive tote with rebranding options via the removable label.
