DESCRIPTION

This personalised tote bag is made from 100% recycled cotton and features an oval base with long handles for hand or shoulder carry. Offered in one size, it provides a generous, flexible capacity while remaining easy to fold and store. Double-needle stitching reinforces the seams and a detachable label makes re-labelling straightforward.

The product shows solid construction with handles sewn in a crossed stitch for extra strength and a reinforced top hem; the fabric has a subtly textured appearance. It is available in several colours, for example Vintage Aqua, Vintage Dusty Pink and Vintage Sand.

The bag can be personalised from a single piece and suits businesses, sports clubs, associations, schools and private customers. We apply customisation using screen printing transfers, MSO transfers, DTF printing or flex (heat transfer), and our design studio can vectorise or retouch your logo before production.
