DESCRIPTION

Cushion cover 40x40 cm in 100% washed cotton canvas, designed for comfortable indoor use. The square cut, piped edging and contrasting back provide a crisp look while keeping a soft hand; the zip is concealed for a neat finish. Easy to care for as cotton (follow any care advice for the inner pad if applicable).

The piped edge and contrast back are practical details that withstand everyday use. The hidden zip makes removal straightforward, and the CutAway label can be trimmed for relabelling.

Customisation available by embroidery. This cover can be personalised from a single piece and suits companies, sports clubs, associations, events and private customers looking for a personalised cushion cover. Our studio can vectorise or retouch your logo before production.
