DESCRIPTION

This classic jute tote bag has a rectangular cut with reinforced base and side gussets, suitable for everyday shopping and events. Made from 100% jute with cotton handles (handle length: 55 cm), it provides a sturdy fibre and structured shape that makes loading and carrying easier. Care is straightforward: shake out and air, spot clean when required.

Practical details include reinforced side seams and a flat base for improved stability while carrying. The wide cotton handles ensure comfortable hand or shoulder wear and the natural material keeps its shape through regular use.

This personalised tote bag can be personalised from one piece and is suited to companies, shops, clubs, events and private customers. Marking options include screen printing transfer, MSO transfer, DTF printing and flex, depending on the desired finish. Available in several colours (Natural, Natural / Surf Blue, Natural / Fuchsia).
