## DESCRIPTION

This drawstring bag in 100% jute offers a natural, sturdy feel with a simple, practical shape for everyday storage. Its open-weave texture and flexible body make it suitable for carrying lightweight items. It is available in a natural colour and comes in sizes XXS to XL to accommodate different capacities.

The bag closes with a double drawcord that allows quick adjustment of the opening; the visible finish shows a coarse woven jute that is pliable yet holds shape. There is no zip; the straightforward seams make maintenance easy: shake out, air, and spot-clean when necessary to preserve the fibre.

This personalised drawstring bag can be customised from a single piece using screen printing transfers, MSO transfer, DTF printing or flex. Recommended for companies, sports clubs, associations, events and private customers looking for a natural promotional pouch. Our design studio can vectorise or refine your logo before production.
