DESCRIPTION

This jute shopping bag combines laminated jute with a cotton panel for a sturdy, natural-feeling tote suitable for everyday shopping. The boxy shape with a flat base and gusseted sides keeps its form, while 40 cm cotton handles allow hand or shoulder carrying. The full cotton panel provides an excellent surface for crisp prints.

The side gussets and squared base increase usable capacity without bulging, and reinforced stitching at the handle attachments supports regular use. Care: spot cleaning is recommended to preserve the jute and cotton materials.

Personalise this personalised shopping (totebag) on a wide range of textile, from 1 piece. We offer screen print transfer, Transfert MSO, DTF printing and flex (flocking) depending on the desired finish. Suitable for companies, clubs, associations, events and private customers; our graphic studio can retouch or vectorise your logo and we provide a free quote within 24 hours on weekdays.
