DESCRIPTION

Classic jute tote bag with cotton panels and 60 cm cotton handles, one size and suitable for everyday use. The jute sides provide structure while the full cotton faces offer a smooth surface for printing; handles allow hand or shoulder carry and the wide base ensures the bag holds groceries or documents without collapsing.

The photo shows reinforced handle stitching and structured side panels that stabilise the bag and make it practical for frequent use. It is available in several colours, for example Natural, Navy or Black, and is easy to handle and maintain.

This personalised tote bag can be decorated by screen printing, DTF printing, transfer or flex. Recommended for companies, sports clubs, associations, events and private customers who need a robust, printable tote. Orders possible from one piece and our studio can vectorise or refine your logo.
