DESCRIPTION

The Earthaware® organic cotton bag is a one-size shopping tote made from organic cotton, intended for everyday use. Its smooth, tightly woven fabric is well suited to printing, and the long handles (67 cm) allow it to be carried by hand or over the shoulder. It comes in several colours, including Natural, Black and Capuccino.

The style is clean and functional: a single main compartment, discreet seams and a minimalist finish that highlights printed or applied designs. The robust canvas holds its shape when loaded and offers durable wear without additional closures or interior pockets.

This personalised tote bag can be customised from one piece using techniques such as screen print transfer, MSO transfer, DTF printing and flex. It is suitable for businesses, clubs, associations, schools and events. Our studio can retouch or vectorise your logo and provides a free quote within 24 hours on weekdays. Collection from our Evere workshop or delivery in Belgium, France and Luxembourg.
