DESCRIPTION

Drawstring cordelettes for men made from organic cotton canvas, with a simple, practical cut. The thick fabric provides good structure and a smooth surface suitable for printing. Closure is by a large drawcord that also serves as the shoulder straps. Available in several colours (Natural, Black, Classic Red) and one size.

Finishing is straightforward: reinforced corner seams and a wide top opening for easy access, with no additional pockets or zips. The canvas is robust for everyday use — sports, school or light commuting — and can be laundered following standard care for cotton fabrics.

This product can be personalised from one piece and is suitable for companies, clubs, associations and events. Possible marking techniques: screen printing transfer, MSO transfer, DTF printing, flex. Graphic studio services available to retouch or vectorise your logo.
