DESCRIPTION

The Pochette EarthAware® Bio is a versatile cotton pouch made from organic brushed canvas, available in two sizes (S and L). The thick, textured fabric is suitable for carrying small everyday items — cosmetics, accessories or documents — while remaining easy to care for. It comes in several colours, for example Natural and Black, and suits both professional and association use.

The pouch closes with a sturdy zip and features a 15 cm wrist strap for carrying on the wrist or slipping into a larger bag. Clean stitching and solid finishes improve durability and the compact shape keeps contents organised and accessible.

This personalised pouch can be customised from one piece and supports these marking methods: Screen printing transfer, MSO transfer, DTF printing and Flex. Ideal for companies, sports clubs, associations, events and private customers looking for an eco-conscious, practical promotional item.
