DESCRIPTION

This unisex zip-up is made from 100% polyester with an ergonomic cut and raglan sleeves for full freedom of movement. The soft inner face provides lasting comfort while the fabric's breathability and quick-drying properties suit active use. Available in several colours (Black Carbon, Dark Green, Deep Blue) and sizes S to 5XL, the garment can be personalised from a single piece.

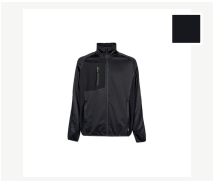

The full-length zip continues to a stand-up collar and features contrast zips plus a zipped chest pocket for secure storage. Two large lower pockets offer additional room, while contrast reinforcements at the sides and elbows improve durability. Elastic ribbed cuffs and hem ensure a secure fit, and reflective details increase visibility in low light.

This personalised zip-up can be decorated using Screen Printing (Transfert Sérigraphique), MSO Transfer, DTF printing, Flex or Embroidery. Suitable for businesses, sports clubs, associations, schools, events and private customers; our studio can retouch or vectorise logos before production.
