DESCRIPTION

This unisex hooded sweatshirt features a relaxed fit designed for everyday comfort. Made from 80% pre-shrunk cotton and 20% recycled polyester (280 g/m²), it has a lined hood with drawcord, dropped shoulders, a large kangaroo pocket and 1x1 rib cuffs for a secure but comfortable fit. Side seams give the garment structure.

Built for regular wear, the cotton/recycled polyester blend helps the sweatshirt retain its shape while remaining easy to care for. The slightly oversized silhouette and set-in sleeves improve mobility, practical for sports clubs or workshop use. Available in several colourways, for example Navy, Sport Grey or Black, and sizes XS to 5XL.

This hood can be personalised as a personalised hood from a single piece with embroidery, screen print transfer, MSO transfer, DTF printing or flex. Suitable for companies, sports teams, associations, schools and private customers looking for a custom hooded sweatshirt.
