DESCRIPTION

This unisex crew neck sweatshirt features a modern, relaxed cut designed for everyday comfort. Made from 50% pre-shrunk ringspun cotton and 50% recycled polyester, it benefits from side seams and slightly dropped shoulders for a neutral, casual look. The classic crew neckline with 1x1 ribbed cuffs and hem offers a clean finish and good shape retention. It comes in several colours (for example Red, Navy, Sport Grey) and sizes XS to 5XL.

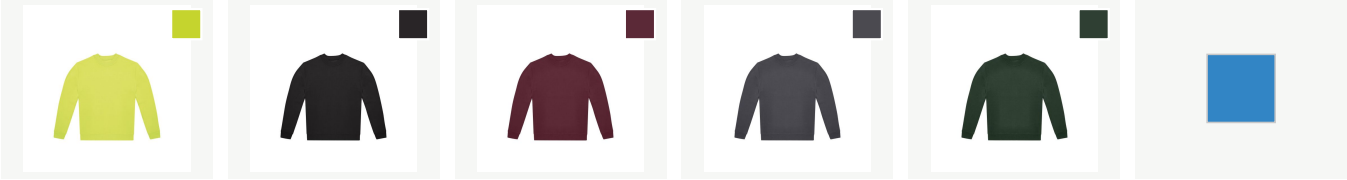

Practical details include set-in sleeves with a roomy fit that eases movement while keeping a neat silhouette. The garment is supplied no label for simplified rebranding, useful for businesses and organisations that want their own branding inside the collar.

The personalised crew neck sweatshirt can be customised using embroidery, DTF printing, flex, screen printing and transfer depending on the desired effect. Suitable for companies, sports clubs, schools, associations and private customers; customisation available from one piece. Free quote within 24 hours on weekdays and our design studio can vectorise or retouch your logo.
