Ergonomic knee pad

U-Power · Ref. WGC061BC

Reference	WGC061BC
Brand	U-Power
Composition	100% EVA (Ethylene vinyl acetate)
Country of origin	China
Carton	10 pieces

DESCRIPTION

Ergonomic one-size knee pad made from EVA, designed to fit a wide range of U-Power knee pad models. The segmented construction provides impact absorption and spreads pressure across the knee while remaining slim enough not to restrict movement. Suitable as protective equipment for professionals who spend time kneeling.

The one-size format and modular cut-outs allow straightforward adaptation to the host knee pad. EVA is lightweight and easy to care for: it can be rinsed and dries quickly. The item is available in 1 colour (Black Carbon).

This knee pad can be personalised knee pads from a single piece and is ideal for companies, clubs, associations and private customers wishing to brand or identify their equipment. We offer embroidery, DTF printing, flex, screen printing, transfer, embroidered badges, tampography and digital printing on items. Graphic studio services available. Free quote within 24 hours on weekdays, collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
