Carton	30 pieces

DESCRIPTION

Men's polo with a straight fit designed for workwear, made from a piqué knit that feels comfortable against the skin. Constructed from a blend of organic cotton and recycled polyester (with a specific Oxford Grey composition), it is machine washable at 60°C. The 1x1 rib collar and sleeve cuffs, three-button placket in tone-on-tone and double-needle hem provide a tidy, professional finish. Available in several colours such as Black, Navy and Oxford Grey, in sizes XS to 8XL.

The polo features reinforced shoulder seams for improved durability and side splits with a contrasting chevron tape in orange for added strength and a functional detail. The Tear Away brand label facilitates customisation and the top buttonhole is horizontal. The straight cut gives freedom of movement while maintaining a work-ready silhouette.

This personalised polo can be customised from one piece. Personalisation options include screen printing, Transfert MSO, DTF printing, flex and embroidery. Suitable for companies, sports clubs, associations, schools and private customers. Our design studio can retouch or vectorise your logo; free quote within 24 hours on weekdays. Collection at our Evere workshop or delivery in Belgium, France and Luxembourg.

KEY FEATURES

- Reinforced stitching on the shoulders for better resistance.
- Soft organic cotton that feels pleasant on the skin.
- Straight fit for greater comfort.
