DESCRIPTION

This women's long-sleeve polo combines comfort with a professional appearance. Made from a polyester/cotton blend with combed cotton piqué, it delivers a soft feel and good breathability; it is washable at 60°C and treated to reduce bacteria and odours. The neat cut, ribbed collar and two-button placket give a smart silhouette suitable for everyday workwear.

Useful details include side vents with contrast tape for ease of movement, a taped neck seam for comfort and double-needle finishes on the sleeves and hem for improved durability. Available in several colours (e.g. Navy, White, Red) and sizes XS to 3XL, it adapts well to different team requirements.

This personalised polo can be customised from a single item and is suited to companies, sports clubs, associations, schools and private customers. Customisation techniques available: embroidery, DTF printing, flex, screen printing transfer and MSO transfer. Our design studio can vectorise or retouch your logo to ensure a precise print or stitch.
