DESCRIPTION

This antibacterial TShirt for women features a straight cut and a round neck with 1x1 rib at the collar. Constructed in jersey from 65% polyester / 35% combed cotton with Vortex yarn to reduce pilling (except Oxford Grey), it combines durability and comfort and is machine washable at 60°C. The Tear Away label eases customisation and the garment is finished with twin-needle seams on sleeves and hem.

Offered in several colours (including White, Navy, Wine) and sizes XS to 3XL, the simple, tailored shape suits everyday workwear. The contrast neck tape and reinforced seams support frequent use in professional settings.

These personalised TShirt items can be ordered from 1 piece. We apply customisation by screen printing transfer, MSO transfer, DTF printing or flex. Ideal for businesses, sports clubs, associations, schools, events and private customers — our studio can vectorise or retouch your logo for production.

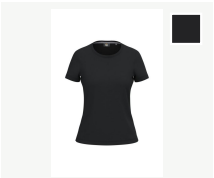

KEY FEATURES

- Washable at 60°C.
- Strong, anti-pilling Vortex thread.
- Combed cotton and polyester jersey fabric.
