DESCRIPTION

Designed for men, this crew-neck sweatshirt features a straight, slightly fitted cut that sits neatly without restricting movement. Made from 100% brushed cotton loopback for softness and comfort, it is machine-washable at 60°C. It comes in several colours — for example Black, Dark Grey and Navy — and is available from XS to 5XL.

The sweatshirt has raglan sleeves to ease shoulder movement, tubular 1x1 rib finishes at the neck, cuffs and hem for a clean hold, a half-moon neck insert and an inner chevron neck tape for reinforced construction. Cotton labels complete the practical, everyday finish.

This personalised sweatshirt can be personalised from one piece using screen printing transfer, MSO transfer, DTF printing, flex or embroidery. Suitable for companies, sports clubs, associations, schools and private customers; our design studio can retouch or vectorise your logo before production.
