DESCRIPTION

Unisex bicolour zipped hoodie sweatshirt designed for workwear, made from a cotton and recycled polyester blend. It features a straight cut, two-piece hood with drawcord, tone-on-tone front zip and kangaroo pockets for practical everyday use. Contrast panels are crafted in two-layer softshell for increased light rain protection, with tubular rib cuffs and hem for fit and a detachable brand label. Available in several colourways such as Black/Dark Grey and Navy/Dark Grey, sizes XS to 5XL.

Practical details include a Silver contrast piping on the panels, a softshell half-moon on the back and a chevron hanging loop with facing inside the collar. The contrast inserts on the front, back and upper sleeves add a technical look while improving durability where it counts, without compromising comfort.

This personalised sweatshirt can be ordered from one piece and customised by embroidery, screen print transfer, MSO transfer, DTF printing or flex. Suitable for companies, sports clubs, associations, schools and events. Our graphic studio can retouch or vectorise your logo before production.
