Unisex 3-layer softshell jacket designed for work use, with a straight cut and an adjustable three-piece hood. The bonded fabric combines a stretch outer face, a breathable waterproof membrane and a microfleece inner layer for thermal comfort and moisture management. 2x2 ribbed cuffs and hem improve fit; tonal plastic zip and two zipped front pockets secure belongings.

Practical details include the two-tone construction with contrast piping between body and sleeves, reinforced seams and an elastic three-compartment pen holder on the left sleeve. A Tear Away label simplifies internal branding. Available in multiple colours such as Black, Navy and Red, and offered in sizes XS to 5XL.

This personalised jacket can be ordered from a single piece and can be decorated using Embroidery, DTF printing, Screen printing, Transfer and Flex. Suited to companies, sports clubs, associations, events and private individuals seeking a technical, custom-branded work jacket.
