DESCRIPTION

This unisex cotton tunic is designed for everyday work: a comfortable cut, short sleeves and a crossed V-neck provide freedom of movement and practical comfort. Made from 100% twill cotton, it offers a natural look and is suitable for industrial laundering as specified by the supplier; an internal name label and tear-away brand label support ease of use. Available in 1 colour (white) and sizes XS to 5XL, it fits healthcare teams, maintenance staff and public-facing roles.

The tunic features a chest patch pocket on the left, two large front patch pockets and side vents to improve mobility. The Tear Away label simplifies branding and the overall construction focuses on functionality and easy care.

This personalised work tunic can be customised from one piece using embroidery, screen printing transfers, MSO transfers, DTF printing or flex. Our studio can vectorise or retouch your logo to ensure a clean result — ideal for companies, clubs, associations, schools and individuals seeking a professional customised garment.
