The twill fabric is durable and meets ISO 15797 for industrial washing (up to 75°C, 20 washes), making it appropriate for frequent laundering. Available in several colours including White, Black and Navy, and in sizes S to 5XL.

Practical details include a chest patch pocket at the heart side with a pen compartment, two large front patch pockets (one with double compartments), and contrast piping on the placket and back yoke. An internal name label and a tear-away brand label simplify personalisation and care.
