DESCRIPTION

This unisex bodywarmer is designed for work and outdoor use: straight cut, stand-up collar and a nylon zip fastening. Its 4-layer construction (taffeta outer, Polyfil insulation, PU membrane) provides wind- and weather-resistant performance while maintaining thermal comfort. Available in a single colour (navy) and sizes XS to 5XL, the technical fabric sits well over a mid layer; follow the manufacturer's care instructions.

Practical details include two zipped side pockets, a chest pocket with flap and pen slot, two large internal lower pockets, a dropped back, contrast binding on the collar, armholes and hem, a name label inside and a hanging loop at the collar. The Tear Away brand label simplifies customisation.

This personalised bodywarmer can be ordered from one piece and accepts several decoration methods: screen printing (transfer), MSO transfer, DTF printing, flex transfer and embroidery. Suitable for companies, sports clubs, associations, events and private customers who need a durable, identifiable work layer.
