DESCRIPTION

This unisex bodywarmer in a polyester-cotton blend is designed for professional use, offering a close fit and a slightly extended back for practical wear. The tone-on-tone plastic zip and internal hanger loop at the collar make it easy to put on and remove. The fabric is flexible and low maintenance, suitable for everyday work activities.

Highly functional, the garment features two large patch pockets at the front with hook-and-loop closures, a chest pocket with a pen compartment, and tonal binding at the armholes and hem for reinforced edges. It includes an internal name label and a Tear Away brand label. Available in several colourways — for example Forest Green, Navy and Dark Grey — and sizes XS to 5XL.

This personalised bodywarmer can be customised from a single item using Screen printing transfers, MSO transfers, DTF printing, flex and embroidery. Ideal for companies, sports clubs, associations, schools and events. Our design studio can vectorise or retouch your logo and we provide a free quote within 24 hours on working days.
