DESCRIPTION

Unisex polycotton bodywarmer designed for work, with a fitted cut and mesh lining across half the back for added comfort. It features a tone-on-tone plastic zip and a slightly extended back for improved coverage. The polyester-cotton blend gives a supple, easy-care feel, and an internal name label helps with identification.

The vest is highly practical: multiple pleated patch pockets (including chest pockets with flaps and hook-and-loop closures, plus a tonal zip pocket) and tone-on-tone binding at the armholes and hem. The photo shows a straightforward, functional finish suited to active use.

This personalised bodywarmer can be ordered from one piece and is available for embroidery, DTF printing, flex, screen print transfers and MSO transfers. Suitable for companies, sports clubs, associations, events and private customers. Our design studio can vectorise or retouch your logo before production. Available in several colours (e.g. Beige, Dark Khaki, Navy) and sizes XS to 5XL.
