DESCRIPTION

Men's quilted bodywarmer designed for daily work use, made from 100% polyester with a PVC coating for improved water resistance. The sleeveless cut permits freedom of movement while the padded filling retains warmth; a polyester lining ensures comfort. Practical and easy to care for, it is available in several colours (e.g. Black, Navy, Forest Green) and sizes S to 5XL.

The garment features a quilted stand-up collar, a central silver plastic zip and an adjustable drawcord at the hem for a tailored fit. Storage is generous: two lower flap pockets with gussets, a chest flap pocket with cable outlet for earphones, a zipped chest pocket and an internal zipped pocket — useful details for site work, logistics or maintenance tasks.

This item can be personalised as a personalised bodywarmer and is orderable from one piece. Available decoration techniques: screen printing transfers, MSO transfers, DTF printing, flex and embroidery. Suited to companies, sports clubs, associations, schools and private customers seeking a warm, functional work layer.
