DESCRIPTION

Designed for men, this bodywarmer features a straight, functional cut in 100% polyester with a PVC coating. The quilted lining with polyester wadding delivers thermal memory and added insulation, while the zip closure with a press-stud storm flap protects against wind. It comes in several colours, including Black, Convoy Grey and Navy, and sizes S to 4XL.

Highly practical for work use, it includes four external pockets (three flap pockets and one zipped pocket) and two inner pockets — one zipped and one phone pocket — plus a hidden elastic drawcord at the armhole for improved fit. An internal zip opening allows easy access for customisation without affecting the lining.

This personalised bodywarmer can be personalised from a single piece and is suitable for companies, sports clubs, associations, events and private customers. Available customisation techniques: screen printing transfer, MSO transfer, DTF printing, flex and embroidery.
