DESCRIPTION

Unisex work jacket, the Parka performance with hood features a straight cut and a two-part lining combining fleece and quilted padding for warmth and comfort. Constructed from ripstop polyester with a 2-layer breathable, waterproof membrane (EN343:2019 Class 3), it includes a removable 3-panel padded hood, a zipped front with storm flap and several secure pockets: two zipped side pockets, a waterproof zipped chest pocket and an internal pocket with hook-and-loop closure.

Practical details include adjustable cuffs with hook-and-loop, drawcord hem with stoppers, contrast chest piping and concealed zips for personalization access at the chest and hem. The ripstop outer resists tears and abrasion while the bi-material lining retains insulation without bulk. Available in multiple colours and sizes XS to 5XL.

This personalised jacket can be finished with embroidery, DTF printing, flex, screen printing transfers and MSO transfers. Suitable for companies, sports clubs, associations, events and private customers. Our graphic studio can vectorise or refine your logo; free quote within 24 hours on weekdays. Collection in Evere or delivery in Belgium, France and Luxembourg.
