Country of origin	China
Carton	5 pieces

DESCRIPTION

This unisex 4-in-1 parka is designed for outdoor work: a protective cut with a high collar and a detachable hood lined in mesh to shield from wind. Made from recycled polyester with a PU coating, it features welded seams and a water-repellent finish. The mesh lining and the reversible inner jacket offer warmth and breathability; adjustable cuffs and an elastic drawcord hem improve fit and weather protection. It comes in several colourways — for example Hi Viz Orange / Navy and Hi Viz Yellow / Navy — and sizes XS to 6XL. This personalised parka can be ordered from one piece.

Useful details include segmented retro-reflective bands on shoulders, chest, back and sleeves, contrast panels and numerous pockets: vertical zipped side pockets, flap pockets with hook-and-loop closures and concealed chest zips. A two-way front zip is covered by a storm flap, the hood stows in the collar and the inner jacket attaches to the outer shell by zip and press studs.

Suitable for companies, sports clubs, associations and private customers, the parka can be personalised by embroidery, screen printing transfer, MSO transfer, DTF printing or flex. Our graphic studio can vectorise or retouch your logo, we provide a free quote within 24 hours on weekdays, standard production in 10 working days, collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
