## DESCRIPTION

This unisex cotton twill trouser/pantacourt features a straight cut and practical details for professional wear. Made from 100% cotton, it has an elasticated waistband with an internal drawcord for an adjustable fit and a reinforced patch back pocket for everyday use. The fabric withstands industrial washing (ISO 15797) and the Tear Away brand label is easy to remove before decoration.

Functional finishes include an elastic waist and straight legs with a clean, utilitarian design that eases wear and care. Available in several colourways (including White) and sizes from XS to 5XL, it suits teams and organisations seeking consistent, durable workwear.

This personalised trousers option can be customised from one piece using embroidery, DTF printing, flex, screen printing or transfer printing, as well as embroidered badges and pad printing where appropriate. Recommended for companies, clubs, associations, schools and private clients; our graphic studio can retouch or vectorise your logo prior to production.
