Country of origin	Pakistan
Carton	15 pieces

DESCRIPTION

Men’s denim work trousers (pantalon/pantacourt) with a tailored fit, designed for daily on-site use. The predominantly cotton construction with a touch of elastane gives durability while allowing movement; knee darts enhance comfort and mobility. Fastening is by concealed buttons and a metal zip. Machine washable at 60°C as specified.

Practical multi-pocket design includes slanted front pockets, two reinforced back pockets (one with flap), a reinforced side pocket with flap and a three-compartment organiser (including a pen slot) on the left, and a hammer loop, tape measure pocket and flap pocket with hook-and-loop on the right. Reinforced crotch gusset, triple topstitching and a rounded back waistband with a wide internal anti-slip elastic band provide secure support; a plastic ring and internal loop add utility.

This garment can be personalised from a single piece and is suitable for companies, clubs, associations, schools and private customers seeking a robust work trouser. Customisation options include embroidery, DTF printing, flex, screen printing, transfer or pad printing, depending on the chosen location.

KEY FEATURES

- Multiple pockets and handy storage: practical and super functional.
