DESCRIPTION

This men’s polycotton trouser/pantacourt (65% polyester, 35% cotton) features a straight cut built for everyday work. The twill fabric balances durability and comfort, and the elasticated waistband with an internal drawcord ensures an adjustable fit. It comes in several colours — for example White, Black and Navy — and is available from S to 5XL.

Practical details include two side slash pockets and a reinforced patch back pocket, useful for tools or personal items. The Tear Away label simplifies branding. The garment is designed to withstand high-temperature washing (compliant with ISO 15797 — industrial wash 75°C, 20 washes) while also being suitable for regular 60°C care.

These personalised trousers can be customised from one piece by embroidery, DTF printing, flex, screen printing or transfer techniques, and embroidered patches can be applied. Recommended for businesses, sports clubs, associations, schools and private customers — our in-house design studio can retouch or vectorise your logo.

KEY FEATURES

- Durable polycotton fabric that is durable and feels comfortable all day long.
