DESCRIPTION

This unisex trouser in twill (98% cotton, 2% elastane) provides a comfortable, slightly stretch fit suited to active work. It features a semi-elasticated waistband with belt loops, a zip and button fastening, and a plain hem. Available in several colours — for example Black, Camel and Dark Grey — and in 15 sizes (34 FR to 62 FR).

Designed for practical use, the garment includes multiple pockets: two front pockets, a right-side ticket pocket, a left-side patch pocket with hook-and-loop flap, a double tool (carpenter) pocket on the rear right and two patch back pockets. Reinforced double and triple stitching at sides, crotch and seams increases durability. A removable brand label keeps the waist area clear for decoration.

Order this personalised trousers for teams and events with embroidery, DTF printing, flex, screen printing, multicolour transfers or embroidered badges. Suitable for companies, clubs, associations, schools and private customers — customisation possible from one piece, free quote within 24 hours on weekdays, standard production and options for collection in Evere or delivery in Belgium, France and Luxembourg.
