DESCRIPTION

Men's trousers/pantacourt in a straight fit, made from 3-ply LSF fleece for comfort and wash stability. The fabric is a 60% cotton / 40% recycled polyester blend, enzyme-washed for improved handling in laundering. An elasticated waistband with internal drawcord and tubular 2x2 rib cuffs with elastane ensure a secure fit. Available in several colours, including Black, Navy and White, and sizes XS to 5XL.

The design features two piped front pockets with internal pocket bags, two patch cargo pockets with flap and velcro closure, and Cordura® knee reinforcements for enhanced durability in work situations. The brand label is detachable, which simplifies custom labelling or resale under your own brand.

These personalised trousers can be customised from a single piece using embroidery (embroidery), DTF printing (DTF printing), flex (flex), screen printing (screen printing) or transfer techniques. Suitable for companies, sports clubs, associations, events and private customers; our artwork studio can retouch or vectorise your logo prior to marking.
