DESCRIPTION

The Day To Day men's trouser blends polyester and cotton (65/35) in a straight-cut design for comfortable, everyday professional wear. Machine-washable at 60°C, it is offered in several colours (including Black, Navy, Silver) and sizes from S to 5XL. The clean, practical cut suits technical teams, reception staff and hospitality roles.

Designed for functionality, it features two slanted side pockets (one with a coin pocket), two piped back pockets with reinforced stitching, a zip-and-button fly, and a waistband with discreet elastic and belt loops. An internal hanging loop at the back of the waist makes it easy to store on a hook.

This trouser can be personalised from one piece and is adapted for companies, sports clubs, associations, schools and private customers. Available marking techniques include embroidery, DTF printing, flex, screen printing, transfer printing (single-colour and multicolour) and embroidered badges. Our graphic studio can retouch or vectorise your logo for production.
