Label	Tear-away (ideal for branding)
Labels and certifications	Oeko-Tex, PETA Vegan
Country of origin	Pakistan
Carton	15 pieces

DESCRIPTION

Men's work trousers with a straight cut, designed for regular professional use. Made from a twill blend of 60% cotton and 40% polyester, they balance comfort and durability and are machine washable at 60°C. The waist is partly elastic with belt loops, and the trousers close with a zip and plastic button. They feature practical front pockets and rear patch pockets, plus tonal knee pad pockets (knee pads not supplied). Available in several colours — for example Black, Navy and Forest Green — and sizes 36 FR to 58 FR. These trousers are available as personalised trousers from one piece.

Functional details include a gusseted crotch for improved freedom of movement, double and triple topstitching on high-stress areas for added strength, a flap pocket with Velcro on the left and an open double tool pocket on the right. The knee pockets have an internal flap and Velcro to keep inserts in place. Hemmed leg bottoms and a detachable brand label finish the garment.

We personalise with embroidery (embroidery), DTF printing (DTF printing), flex, screen printing (screen printing) and transfers. Suitable for companies, sports clubs, associations, schools and individuals needing a durable, custom work trouser.

KEY FEATURES

- Twill fabric combining comfort and durability.
- Hard-wearing and easy-care thanks to polycotton.
