DESCRIPTION

This Pantalon/Pantacourt for women is built for work: a straight cut in durable twill (60% cotton / 40% polyester), washable at 60°C and designed for comfort during long shifts. The waist is partially elasticated with belt loops and fastens with a zip and button; the brand label is removable for a clean finish. Offered in several colours — for example Black, Navy or Royal Blue — and available in sizes 34 FR to 48 FR. The garment can be personalised from a single piece.

Practical details include two front pockets, two patch pockets at the back, a left flap pocket with Velcro and a right-side open double tool pocket. There are knee pocket slots with Velcro and an internal flap for inserting adjustable knee pads (knee pads not included). A gusset at the crotch, rib stitching and reinforced seams (double and triple stitch) increase durability and freedom of movement.

Customisation options include embroidery, DTF printing, flex, screen printing and transfer. Suitable for companies, work teams, clubs, associations, events and individuals looking for personalised Pantalon/Pantacourt for work use.
