DESCRIPTION

This men's work trouser has a straight cut in 60% cotton and 40% recycled polyester, designed for heavy use while remaining eco-conscious. It features integrated knee foam in a Cordura pocket, stretch inserts at the crotch and behind the knees for freedom of movement, and a reinforced lower leg with silver piping and an adjustable hem. Machine washable at 60°C and available in several colours (for example Black, Dark Grey / Black, Navy / Black) in sizes 36 FR to 58 FR.

Functional details include two front pockets (one with a ticket pocket), flying cargo pockets with flap and velcro (one with two compartments and tool slots), a right-side pen pocket, rear pockets with flap, hammer loop and wide rear belt loop. Reinforced stitching at stress points and an adjustable waist with elastic ensure robustness on site.

Customisable from one piece, this personalised trouser is suited to companies, sports clubs, associations and private customers. Personalisation techniques available: embroidery, DTF printing, flex, screen printing (single colour and multicolour), screen transfer, embroidered patches and printing on promotional items. Our graphic studio can retouch or vectorise your logo.

KEY FEATURES

- A workwear garment that is part of an eco-responsible approach.
