## DESCRIPTION

Work trousers for men made from dobby stretch fabric combining recycled polyamide, cotton and elastane for freedom of movement. The cut is modern and close-fitting with knee panels and front/back seams that improve comfort. The waistband features belt loops (including a reinforced central loop) and an internal adjustable elastic. Machine washable at 40°C; hem length can be adjusted by 5 cm.

Practical storage includes two front pockets, a right-side ticket pocket, a left zip patch pocket and a zip pocket at the back. Triple stitching at the crotch, side seams and seat enhances durability, while the zip fly and concealed plastic button keep a clean finish. Available in several colours, for example Black, Dark Grey and Navy.

This personalised Pantalon/Pantacourt can be customised from one piece on a wide range of textile. We offer embroidery, DTF printing, flex, screen printing, transfers (single-colour and multicolour), embroidered badges and pad printing for logo placement. Suitable for companies, clubs, associations, events and private customers; our in-house design studio can retouch or vectorise your logo.
