DESCRIPTION

This personalised trousers product is a women's work pant with a slim, technical fit designed for active tasks. Made from dobby stretch fabric (70% recycled polyamide, 22% cotton, 8% elastane), it delivers mobility and comfort while being easy to care for at 40°C. Available in several colours, it combines a neat profile with durable construction for professional use.

Functional details include two front pockets, a right-side ticket pocket, a left-side zip patch pocket, an additional front patch pocket and a right back zip pocket. Concealed zip with plastic button, belt loops including a reinforced centre-back loop, and internal elastic waist adjuster. Reinforced triple stitching on high-stress seams and a 5 cm adjustable hem allow length customisation.

Suitable for companies, sports clubs, associations, schools and private customers, these trousers can be personalised from one piece on a wide range of textile. Personalisation options: embroidery, DTF printing, flex, screen printing, transfer (single or multicolour), embroidered patches; our design studio can vectorise or retouch your logo.
