DESCRIPTION

Unisex work trousers designed for mobility, made from a dobby stretch fabric combining recycled polyamide, cotton and elastane for comfort and durability. They feature a reinforced waistband with belt loops, adjustable back waist, and a concealed zip fastening with a protective fabric flap. Offered in multiple colours (Black, Dark Grey, Navy) and 15 sizes; follow the manufacturer's 40°C wash instructions.

Functionality is central: front pockets, a ticket pocket, a cargo pocket with hook-and-loop closure, a separate carpenter's rule pocket and tool compartments, plus two zipped back pockets. Knee pad pockets in stretch Cordura® (knee pads not supplied) and reinforced inner leg hems extend service life. Retro-reflective details and triple stitching at high-stress seams improve durability for demanding work.

These personalised trousers can be ordered from one piece and personalised for companies, sports clubs, associations, events or individuals using embroidery, DTF printing, flex, screen printing, transfer, tampography and embroidered patches. Our studio can retouch or vectorise your logo before production.
