DESCRIPTION

Men’s work trousers with a straight cut, built for demanding professional use. Made from a polyester/cotton blend (65/35), they balance durability with flexibility. The trousers feature a zip with button closure, belt loops and preformed knees for enhanced comfort and mobility. The crotch is reinforced with triple stitching to withstand heavy wear.

Practical pocketing includes three front pockets, three back pockets and a side cargo pocket with flap. Functional details — stitched knee panels, reinforcements and robust seams — improve fit and longevity. Available in several colours such as Black, Convoy Grey and Navy and in sizes 38 FR to 58 FR.

These personalised trousers can be customised from one piece and are ideal for companies, sports clubs, associations and individuals. Customisation techniques offered include embroidery, DTF printing, flex, screen printing, transfer (1-colour and multicolour) and embroidered patches, to achieve the finish you need. Free quote within 24 hours on weekdays; collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
