Label	Tear-away (ideal for branding)
Labels and certifications	Global recycled standard, Recycled polyester
Country of origin	China
Carton	50 pieces

DESCRIPTION

Unisex gardener's work apron in recycled polyester with a coated Oxford fabric that provides waterproof protection. The apron is short (60 cm height), one size, and adjustable at the neck and waist with recycled plastic buckles for a comfortable, secure fit. Practical and hard-wearing, it is offered in several colour options including Bottle Green/Beige and Chocolate/Beige.

The design includes a chest pocket with a hook-and-loop flap and seven open pockets arranged on two levels, plus a large contrasting lower panel divided into compartments for tools and accessories. Contrast piping and reinforced seams improve durability in use; the fabric weight and finish make it suitable for frequent wear.

Customisation is available from one piece for companies, clubs, associations, events and private customers. Techniques offered: screen printing, DTF printing, transfer, flex and embroidery. Free quote and in-house artwork studio to prepare or vectorise your logo.
