Average weight	1005 g
For	Unisex
Label	Tear-away (ideal for branding)
Labels and certifications	PETA Vegan
Standards	NF EN ISO 13688
Country of origin	China
Carton	15 pieces

DESCRIPTION

Unisex work suit comprising a jacket and trousers, made from 100% polyester with a PVC coating for waterproof protection meeting EN 343. The jacket features a stand-up collar, raglan sleeves and two flap pockets; the trousers have an elasticated waistband and press-stud hems with gussets to fit over footwear. The set packs into a zipped storage pouch for easy transport. Sizes range from XS to 6XL.

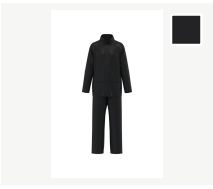

The construction focuses on weather resistance: heat-welded seams, underarm eyelets for ventilation and a back vent with flap to help sweat escape. The jacket includes an adjustable hood stowable in the collar, a zip covered by a snap-fastened storm flap and adjustable hems with drawcord. Reinforced double seams at the crotch and seat improve durability. Available in several colours, for example Black, Navy and Yellow.

This personalised work suit is suitable for companies, clubs, associations, events and private customers. Personalisation techniques offered include screen printing, transfer, DTF printing, flex and embroidery. Customisation is possible from one piece; our studio can retouch or vectorise your logo and we provide a free quote within 24 hours on weekdays.

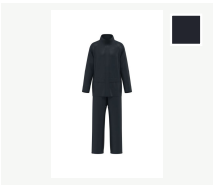

KEY FEATURES
