DESCRIPTION

Men's zipped microfleece jacket designed for work and light outdoor use. The straight cut and stand-up collar provide warmth and freedom of movement; the polyester microfibre with anti-pilling treatment keeps a smooth, soft finish and is easy to care for. Offered in several colours (for example Black, Navy, Royal Blue) and sizes S to 5XL.

The jacket features a central zip and two zipped front pockets, useful for small tools or a phone. Clean, understated seams and a fabric thickness that retains heat without bulk define its practical design. Care is straightforward: machine wash suitable for polyester and air drying recommended to preserve the anti-pilling treatment.

This jacket can be personalised from one piece and is ideal for businesses, sports clubs, associations, schools and private customers. Customisation techniques available: embroidery, DTF printing, flex, transfer and screen print transfers — suitable for logos on the chest, back or sleeves. Free quote within 24 hours on weekdays; our studio can prepare or vectorise your artwork.
